

## Portfolio

**Link 1:** <https://bit.ly/4caOhKf>

**Description:** The project analyzes representations of queerness in Indian literature through *That's True, I Love Her* and *Cobalt Blue*. It finds recurring themes of ignorance, lack of acceptance, and enforced heterosexual marriage. At the same time, queer characters are portrayed as morally strong, independent, and ambitious individuals.

**Link 2:** <https://sasinfra.com/latest-blog-updates/>

**Description:** A selection of blog posts I've written for SAS Infra, my current employer. Note that this represents only a portion of my work. In addition to blogs, my contributions to the company include website content, advertising copy, billboard creatives, and social media posts.

**Link 3:** <https://theserenepoet.blog/>

**Description:** A personal blog I built from the ground up, featuring over thirty original pieces on cinema, cricket, and politics.

**Link 4:** <https://tracktollywood.com/author/surya/>

**Description:** A collection of news articles authored by me for Track Tollywood.

**Link 5:** <https://tracktollywood.com/author/nirvan/>

**Description:** A collection of news articles authored by me (under the pseudonym *Nirvan*) for Track Tollywood.

Overall, across a writing career spanning more than three years, I have authored over 50 blog posts, 650 news articles, and 1500 prompts. In addition to writing, I possess a strong working knowledge of marketing and SEO, along with hands-on experience in design (Canva) and video editing (Hitfilm Express).
